Motamedi S¹, Majidzadeh K, Mazaheri M, Anbiaie R, **Mortazavizadeh SM**, Esmaeili R.

Proceedings of meetings:

- 1- Fifth International Congress *Perspectives in Colorectal Cancer* June 26-28, 2003
Barcelona, Spain (Certification)**
- 2- Eloxatin International Meeting. Athens 29-30 March 2002**
- 3- ECCO 12 21-25 September 2003; Copenhagen, Denmark (Certification)**
- 4- Osteogenic Sarcoma Conferences; 5 March 2002; Shariati Hospital; Tehran – Iran**
- 5- Common hematological Disease conferences; Iran University of medical science and health services; 27 January – 3 February 2001; Karaj – Tehran**
- 6- Secondary Iranian – Frances Medical Conferences (Oncology in children and adolescent); 16-17 May 2003; Tehran-Iran**
- 7- 2nd International Congress on Advances in hematology, oncology and Bone marrow transplantation & First Nursing meeting; 25- 27 September 2002; Tehran-Iran**
- 8- 19th meeting of European society for medical oncology (ESMO) 29 October- 2 November 2004; Vienna, Austria**
- 9- 4th European breast cancer conference (EBCC) 16-20 march 2004; Hamburg, Germany**
- 10- *****European hematology association (EHA) October 2004, *******

Workshops & Lectures:

- 1- Thalassemia Compliance Workshop, Tehran, April 6-7 2000 (Certification)**
- 2- Research workshop for writing English paper November 2004, Yazd Iran**
- 3- Research workshop for statistical software (SPSS) March 2005, Yazd, Iran**
- 4- Lecture in CME (Management of Breast Cancer); Shaheed Sadoughi University of medical science and health services University 15 October 2003**
- 5- Lecture in fifth congress of Iranian hematology and oncology association, January 2004,**

Mashhad- Iran

6- Lecture for General Physician, Approach to anemia; 1-4 November 2002; Shaheed Sadoughi University of medical science and health services

7- Lecture in EDC Workshop (Ophthalmic Singe of Hematologic disease) 18-19 June 2002; Shaheed Sadoughi University of medical science and health services

8- Lecture in CME workshop (approach to anemic patient); 30 October 2002; Shaheed Sadoughi University of medical science and health services

9- Lecture in CME workshop (Cancer screening); 30 October 2002; Shaheed Sadoughi University of medical science and health services

10- Lecture In CME workshop (Chemotherapy in women's cancers) ; 18 February 2003; Shaheed Sadoughi University of medical science and health services

11- Lecture in CME workshop (Evaluation of hematologic system before surgery); 14 June 2001; Shaheed Sadoughi University of medical science and health services

12- Lecture In CME workshop (anemia) ; 7-10 October 2003; Shaheed Sadoughi University of medical science and health services

13- Lecture in CME workshop (Importance of early diagnosis of Cancer disease); 7-10 October 2003; Shaheed Sadoughi University of medical science and health services

14- Lecture in CME workshop (Cancer disease); 29 January – 1 February 2002; Shaheed Sadoughi University of medical science and health services

15- Lecture in CME workshop (Method of early diagnosis of Cancer); 29 January- 1 February 2003; Shaheed Sadoughi University of medical science and health services

16- Lecture in CME workshop (anemia); 21 September 2001; Iran University of medical science and health services

17-The First Workshop in Palliative Care 28-30 Sept 2004 Mirzakoochak khan Hospital Tehran Iran

18-Hybrid Course In Genetic Consulling In Practice.Europian School Of Genetic Medicine. At ESGM,s Remote Training Center 9-14 Nov 2006

19-EBM for Oncology Workshop. Mc Gill University; Faculty of Medicine. Centre of Continuing Medical Education (CME) . April 14th,2007. athen.(4 credits)

20- Lecture in CME workshop(medical Disorders During Pregnancy) Coagulopathy and

Hemophilia. 23 Jan 2007. ; Shaheed Sadoughi University of medical science and health services

21- Lecture in CME workshop(Liaison Psychiatry Conference).Psychiatric Disorders in Patient with Cancer;April 19th 2007; ; Shaheed Sadoughi University of medical science and health services

22- Lecture in CME workshop(Breast Cancer). Chemotherapy in Breast Cancer;May 29th 2007; Shaheed Sadoughi University of medical science and health services

23- The evolving management of CLL –A multidisciplinary workshop –University of Leicester(uk)4th- 5th oct 2007.

24- Lecture in transfusion conference(blood transfusion organization)-Indications of platelet transfusion;jan 19th 2008; Shaheed Sadoughi hospital

25- Lecture in CME workshop(ENT conference) chemotherapy in oral cancer;Feb 26th 2008; Shaheed Sadoughi University of medical science and health services

Supervision on Medical Theses:

1- Evaluation of Distribution of PICA in Iron deficiency anemia and its relationship with severity of disease.

2- Evaluation of breast risk factors in patients of Yazd city.

3- Evaluation of P53 mutation in breast cancer disease and its relationship with age and prognosis of disease.

4- Evaluation of effect of chloroquine on the ITP restricted to Corticosteroids and Splenectomy.

5- Evaluation of cancer staging with Survival of patients in Colorectal Cancer patients.

6- Evaluation of RDW in Iron deficiency anemia.

7- Evaluation of relationship between P53 gene mutation and 3years survivals of breast cancer patients.

8- Survival analysis of ovarian cancer patients in Yazd city.

9- Survival analysis of Hodgkin lymphoma in Yazd city.

10- Survival analysis of Non-Hodgkin lymphoma in Yazd city.

11- Evaluation of correlation between C-erb2 gene over expression and breast cancer prognosis

12-Lipid Profile in Iron Deficiency Anemia.

13-BMI and Lipid Profile in Breast Cancer

14-Differential Diagnosis in Splenectomized Patients

15- Survival analysis of ALL Patients

16-APL and thrombosis in malignancy
